Dear Alison,

I hereby agree to be an Advisory Board Member of the Coalesce Research Group and to adhere to the [terms](#) of the Consent Form I signed in London, a copy of which was sent to me in your last email.

While in London, I noticed that the logo of my organization looked out of focus in one of your advertisements. Please find joined to this email two files (two formats) with the Antiviral InteliStrat logo which should give a better image if you need it in future publications.

Thank you very much.

Jocelyn Yelle
